THE MOONCAKES

DUBAI CHOCOLATE PISTACHIO MOONCAKE WITH RASPBERRY

The Conspiracy Mooncake 2025 edition is our interpretation of the Dubai Chocolate yet more elegant, less oily and sweet, and more pistachio-forward, while still trendy with a bright raspberry core for a flavour contrast, adding a touch of tang.

.....

Dark Signature chocolate shell filled with **green pistachio** and the texture of **buttery kadaif crunch** with a **raspberry jam** core.

The same shape and size of a small traditional mooncake, comfortably cuts into 4-6 pieces for sharing.
